Cameroon

Population:

- Roughly the size of Sweden, Cameroon has a population of just under 25 million people.
- It has one of the highest birth rates in the world at 4.71 children per woman and one of the lowest life expectancies at 58.07 years.

Basic Education:

- The literacy rate for 15-24 year olds is currently around 75% with females lagging behind males at just 68.9%.

About Us

- Canadian registered NGO, founded in 1994
- Founded on principle of sustainable development through partnerships with individuals, groups and communities in developing countries

Our Priorities – Education, Health, Water

- Education is the most powerful civilizing force
- It is fundamental to the development and health and safety of a population
- It is the central pillar of ICA activities in Cameroon

The problem/issue

Isolated areas are underserved by the government of Cameroon = low enrollment particularly for the girl child

**Inadequate infrastructure = lower enrollment,
lower achievements/ results**

The solution ...is partnership

Kiwanis and ICA embark on a program to eradicate barriers to education together

Partnership = Kiwanis + ICA + the village (indigenous people)

Kiwanis – Helping to build a school!

\$0 of \$30,000 raised

A CHALLENGE TO ALL KIWANIANIS!

What does \$10.00 a month mean to you? A couple cups of morning coffee? A hamburger? A lottery ticket?

That same \$10.00 can be life changing to a child in the rural areas of Cameroon. \$10.00 can mean a chance to go to school for a young boy or girl. It can mean text books or a school uniform. It can mean a qualified teacher for a remote village.

The Kiwanis motto since 2005 has been "Serving the Children of the World". In keeping with that commitment, we are partnering with ICA (International Children's Awareness) Canada to build one school every three years in rural Cameroon through donations from Kiwanis members, family and friends.

Sign up now for as little as \$10.00 per month that will automatically be charged to your credit card. \$10.00 per month that will make real, lasting change.

As Kiwanians we are called to serve the children of the world and this is a great opportunity!

****all donations are tax deductible.**

Moving Forward Together

We will build a minimum of 1 school every 3 years with your help.
